

**Lily, Iris, Roses, Daisies and more spiced a rehearsal dinner.**

**It was blue Delphinium, Roses, Tulips, Baby's Breath and Ivy topiary for a celebrity wedding.**

**Sherbet Roses and Baby's Breath fit the wedding colors in a pastel theme.**

**Agapanthus floats in a bubble bowl with fern and marbles for a bridal reception.**

**Dendrobium Orchid and Curly Willow stems, with Fern, await setting for a Frist Arts Center reception.**

**Pink, red and lavender Rose petals are strewn on a white table cloth among three different votives to make a simple, but pretty, reception centerpiece.**

'We like to create something special for each client, and stay away from "cookie-cutter" designs. So, when we show photographs, we encourage them to see the samples only as a base of ideas, not the end product. We want the flowers to reflect their individual tastes.' - Angel.
